### **SUBJECT**

Authorize an amendment to the Mortgage Assistance Program for FY 2012-13 to add an eligible homebuyer category to include those homebuyers purchasing a new home constructed on properties sold by the Dallas Housing Acquisition and Development Corporation (DHADC or Land Bank) - Financing: No cost consideration to the City

### **BACKGROUND**

The Mortgage Assistance Program (MAP) is funded with U.S. Department of Housing and Urban Development (HUD) annual allocations. MAP provides principal reduction, down payment, and closing cost assistance to eligible homebuyers to purchase a home in the City of Dallas. MAP provides homeownership opportunities for residents of the City of Dallas earning at or below 80% of area median family income.

Historically, the Housing/Community Services Department has contracted with Enterprise Community Partners to administer the program. In the Spring of 2012, Enterprise Community Partners, Inc. notified the City of Dallas that it would not renew its contract. As of October 1, 2012, the Housing/Community Services Department began operating the MAP Program in-house.

The MAP Program currently has two categories of funds: 1) eligible homebuyers purchasing existing homes may receive up to \$8,500 in principal reduction and closing cost assistance with a 5-year forgivable loan; and 2) eligible homebuyers purchasing a home constructed by a Certified Community Housing Development Organization (CHDO) may receive up to \$20,000 in principal reduction and closing cost assistance with a 10-year forgivable loan.

## **BACKGROUND (continued)**

This Council action will approve changes to the policy that will be used for the MAP Program during FY 2012-13. It will add a third category of eligible homebuyers to include those purchasing a new home that is constructed on properties sold by the Dallas Housing Acquisition and Development Corporation (DHADC or Land Bank). This category of homebuyer may receive up to \$10,000 in principal reduction and closing cost assistance with a 5-year forgivable loan.
